SOMERSET, PA., WEDNESDAY, OCTOBER 9, 1872. THE OLD WHITE HAT.

BY BOB JENNINGS. When this old hat was new, my boys, The Democrats swore freely, And day and night, with great delight, They damned Horace Greeley. But now a change has o'er them come, The like I never saw, .

They now are wearing Greeley hats. And shouting Chappaqua, Charles Sumner's now a patriot, A "statesman tried and true," But Bully Brooks broke Summer's head, When this old but was new.

The Democrats all cried well done. And said he'd got his due, And swore they'd hang old Greeley next, When this Old Hat was new. When this Old Hat was new, my loys,

Dan Voorhees was the man, Whose tall proud form to victory led The Democratic clan. But now they have ruled Daniel out, They say he will not do, Because he stands right where he stood When this old hat was new. But Daniel will not stand the storm

He soon will come to "taw."

He yet will sing the sweetest strains, The song of Chappaqua. When this Old Hat was new, my boys, The very air was rent-With shouts from Democratic throats, For a "white man's guv-er-ment." But now they are for equal rights,

They turned their backs on all they said,

When this Old Hat was new. But still it does seem strange to me, 'Tis hard to think so really, That Hendricks should be shoved aside For nigger-loving Greeley. For Hendricks was a Democrat-To his party always true, And Greeley was its direct foe,

When this Old Hat was new.

To every race and hue,

But let us take our dish of dirt, And try and put it through, And turn our backs upon the past, When this Old Hat was new. And when we get old Greeley in, We'll send him to that shore. Where Harrison, Taylor and Lincoln's gone

And then with Gratz and cousin Frank, And all of the Blair crew, We'll soon restore the days of vore When this Old Hat was new.
